I want to see your perverted expressions too.

It's not fair that you get to do everything
Geez...

Do you
want to
try some
too, Aoi?

Well, you
know~

and for
some reason
I feel really
good right
now!

I ate
a bit of
fruit that
my dad
sent me
today,

I can't
think of
anything
else but
you!

Yeah! And
when I think
about you, my
heart beats so
fast it feels like
it'll burst out
of my chest!

I haven't
been able
to keep you
off my mind
since then,
Aoi

Oh,
and
also!

(A)
You
haven't?

Hm?

A letter?

Geez~

You're
really
something
special,
Ichigo!

Doesn't
really
hate →
this.

I love
you~
Aoi!
♥♥♥

Dear Aoi-chan. This is Ichigo's father.
Thank you for always taking care of Ichigo (rest omitted)
I discovered this fruit deep down in South America.
There are individual differences for those who eat
it, but it appears to have a mysterious power to
make the person who eats it think of nothing but
"the one they love". I have high hopes for it as a fun
"party goods" item. I'm sending this fruit in the hope
that my beloved daughter and her wonderful best
friend Kiriya Aoi will enjoy it (rest omitted).

Hmm
let's
see
here...

I see
now.

Aoi ~♡

Ichigo ~♡

You can't
think of
anything
but the
person
you
love...

It's not
every
day you
get to
see such
a rare
side of
Ichigo! I
need to
record
this!

すっ。

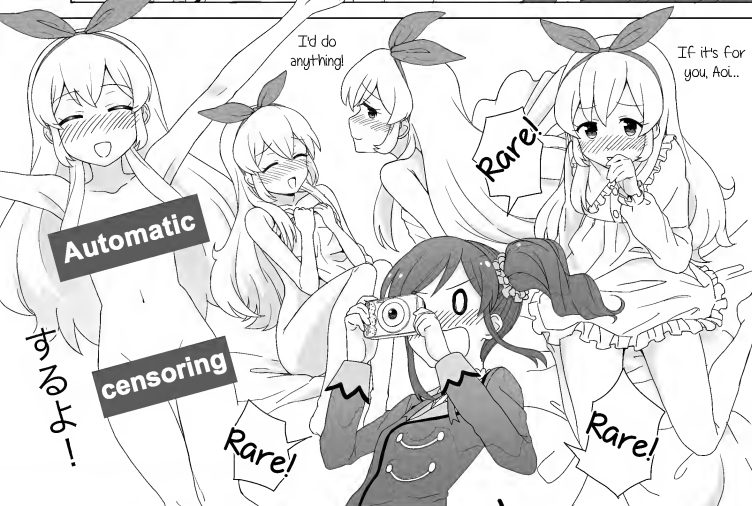

calm yourself,
Kiriya Aoi!

Hold up,

Not calm at all. ↑

あとがき

どうもはじめてまして！よばんです。
時間もお金も経験もないという
逆境だらけのところからのスタートでしたが、
なんとか大好きないちごちゃんとあおいちゃんで
同人誌を一冊出すことが出来ました。
それでもまだまだやりたいことが山ほどあるので、
これに懲りずに二冊目三冊目と続けていきたいと
思っております。それでは、また！
